IS PROUD TO ANNOUNCE SIGN UPS ARE NOW OPEN FOR OUR FALL DRIVE CLINIC

HIGH PERFORMANCE DRIVING CLINIC

THURSDAY April 1, 2010 WILLOW SPRINGS RACEWAY

Due to the huge success of our previous track events, All German Auto would like to invite you to another High Performance Driving Clinic at Willow Springs International Raceway, on **Thursday, April 1, 2010**.

This combination of instruction, track time, food and an amazing assortment of machinery can not be beat anywhere! Our event is the ideal place to drive your car the way it was meant to be driven, in a safe and controlled environment with no speed limits and no tickets! It's also the perfect place to sharpen and enhance your driving and car control skills. Whether you're a novice or experienced racer, we will work with you and your goals; you will only drive as fast as you feel comfortable.

Our event includes:

- A safe & fun environment with 1-on-1 professional on & off track driving instruction
- More track time per day than many events provide in 2
- Limited number of cars to maximize safety & track time
- Emergency vehicles on site
- Corner worker with flags
- Breakfast upon arrival, a catered lunch & snacks & drinks throughout the day
- **FREE** Pre-track vehicle inspection at AGA
- **FREE track services by All German Auto** (i.e. Tire rotation, tire pressure changes, suspension & anti-roll bar adjustments & fluids available if needed)
- **FREE transportation of track tires to & from event**
- Discounted hotel rate at the Devon Shire Inn when mentioning All German Auto.
- All German Auto will also bring out CORNER WEIGHT SCALES for drivers who wish to weigh their cars
- **10% Discount** on repairs & high performance products prior to the event

Pre-event check list:

- Make sure your vehicle is in safe operating condition
- Long pants, a short or long sleeve shirt, socks & closed-toe shoes
- A helmet, preferably open face. A loaner will be provided if you do not have a helmet (please indicate such on the entry form)
- Remove all unnecessary items from the cab & trunk of your vehicle as these can shift while on the track (this can be done at the event as well)
